## Our Advertising Options

### Website Banners

Your pre-designed banners can be displayed on our site for only \$50 per month, with just a six-month minimum. We can accommodate many different sizes and placements. If you do not have a designed banner, our webmasters can help create one that will display your message for an additional charge. Banner placement is negotiable.

### Special Announcements or Press Releases

Your announcements or press releases can be placed on our website for a one time fee of \$50. They can be placed in the Articles/Info section and in the News section if appropriate. You can also choose a specific section, such as Health, Finance, Career, etc. to have it placed if it is relative to that section.

We also set up live links to either your website or email address with each announcement. There is no charge for these live links.

### Special Book Releases

Special book releases can be placed in the bookstore for a one-time fee of \$75. You may list as many ways to purchase your books in the release as is desired. Whenever possible, we will offer live links to the author, publisher or bookseller. If it is available through Amazon.com, we will also mention that they can buy the book right on our site.

Other special options are available, but must be cleared with the publisher of Single Again.

We do require one review/publisher's copy of any book appearing on our website. Mail all review copies to Paul V. Scholl, Publisher, Single Again Magazine Online, 7405 Greenback Lane #129, Citrus Heights, CA 95610.

### E-Blast Advertising

Place Your advertisement, announcement or release in our monthly E-Blast for a monthly fee of \$100. Our E-Blast is sent to all those who have willingly offered their

email addresses requesting more information and updates from Single Again. These people have completed our online survey and have qualified to remain on our exclusive lists. (If they do not complete an appropriate number of questions on the survey they do not qualify to be on our lists, and are deleted). We send a new E-Blast monthly to the United States, England and Canada, and to many other foreign countries.

You may have up to eight lines in your announcement or advertisement. Live links are not available through the E-Blast, but all contact information may be included.
